

## 2026 Summerlyn HOA Pool Rules:

To ensure all families and their guest(s) enjoy the swimming pool all residents and guests must observe the following pool rules. As a main amenity in Summerlyn, keeping the pool and the pool area tidy is a responsibility for the community.

- o Opening Day: Saturday, May 2nd, 2026
- o Closing Day: Sunday, September 20th, 2026
- o Pool Hours: Daily 6:30AM - 9:00PM
- o Please note that 24/7 video surveillance is in use.
- o **NO lifeguards are on duty at the pool. Swim at your own risk!**

Swim Club Management Group of Raleigh, attendants have been hired to clean and maintain the pool by the Summerlyn HOA and have full authority to enforce all pool rules while on the premises.

Failure to follow the rules may result in the temporary closing of the pool and/or denied access to the residents, tenants, and/or their guest(s) Homeowners (and tenants) of Summerlyn are responsible for ensuring that every member of their household and their guests are aware of, and abide by, the Summerlyn pool rules.

Please note that a violation of the pool rules also includes letting people in without key cards or with non-functioning key cards.

Failure to pay HOA dues may also result in the suspension of pool privileges and deactivation of already-issued key cards.

The pool is for the private use of Summerlyn residents and their guest(s) ONLY - and only accessible with a Summerlyn key card.

NON-VALID POOL CARD = NO ACCESS.

Unaccompanied guests are not permitted.

If your card is lost or stolen, a replacement fee of \$25.00 will apply. For a replacement card contact Associa HRW at 919-787-9000, or [customercare@hrw.net](mailto:customercare@hrw.net) If a keycard is lost or stolen, the original will be deactivated, and a new keycard will be issued. Each household is permitted one (1) keycard. If you are renting a home and did not receive your card, please contact your property owner directly as only owners can request replacement cards. Please note that the pool area is under 24/7 video surveillance/monitoring. Activities may be recorded to aid in the prosecution of certain crimes committed against the facility. A pool card is required to enter the Summerlyn pool. When you swipe your key card, ADT will have knowledge that someone from your household has gained access to the pool and when. Entering the area or pool when it is not open for public use will be considered trespassing and ADT will call 911 accordingly. Trespassing will NOT be tolerated, and trespassers may be prosecuted.
